Acrylic Roof

A Sunspace Acrylic Roof is designed as a patio cover and a sunroom roof that will maintain high light transmission throughout the longevity of the product! Built Strong, it's designed to offer protection from inclement weather and harmful UV rays, without blocking the natural light. Acrylic sheets are durable, 100% naturally UV stable and filter/soften harsh light. Sunspace Acrylic will retain 90% light transmission and clarity for 30 years, we guarantee it!

Features & Benefits

- Superior energy savings and heat control
